INTEREXCHANGE TELECOMMUNICATIONS SERVICES TARIFF**6. BUSINESS SERVICES (Continued)****6.1 Message Telecommunications Services (MTS) (Continued)****6.1.1 Solutions Service (Continued)****F. Business Unlimited Multiline (Continued)**

The Customer may not use this service to complete multiple simultaneous outgoing calls through use of a LEC-provided feature that provide multiple paths over a single line. A line is defined as an Embarq LOC single line business line or key trunk.

Business Unlimited Multiline customers who discontinue their service prior to fulfilling their term commitment will be assessed a termination liability charge. The termination liability charge will be the difference between the monthly recurring charges applied during the in-service period and the non-term Small Business Unlimited Solutions II monthly recurring charges for that same period, or \$50.00, whichever is less. If a customer prematurely discontinues this service for only a portion of the lines under a term commitment, the termination liability charge will not apply as long as the customer retains a qualifying service at each location and the minimum number of lines remains subscribed to this service.

If the Company determines the Customer has violated any of the terms and conditions of this service, the Customer's plan will be switched, upon notice, to Business Sense as set forth in Section 6.1.2 of this Tariff and the termination liability charge as defined in the preceding paragraph will be assessed.

Upon expiration of the term commitment, the term commitment will automatically renew for an additional twelve months unless either the Company or the Customer provides written notification to cancel the existing term prior to the expiration of the term plan.

If a customer desires to commit to a new term period prior to fulfilling the current commitment period, no termination liability charges will apply. However, the number of months accrued under the current term commitment will not apply towards the new term commitment.
